

Dear Store Manager,

Smooth Pops are a refreshing fruit smoothie ice pop made of fresh picked whole fruit, organic cane sugar filtered water and nothing else!

None of the additives, binders or preservatives of the other stuff. And

its all packaged in tube forms like Flavor Ice Pops, but healthier! I would

love to buy Smooth Pops here and Im sure your other customers would too. Below is information to order Smooth Pops for your store.

Yours Truly,

Smooth Pop Lovin Customer
